EXPERIENCE

DomaHub Domains — *Co-Founder & CEO*

JUL 2016 - MAY 2019 | New York, NY

Founded an online platform to help users sell their domain names. It was acquired in 2019 by Efty—the industry leader.

- Taught myself web development and built the entire backend
- Developed an innovative method of on-demand rental of domain names and automated SSL deployments
- Oversaw all customer communication and marketing
- Created technical documentation for end-users

Citrix Systems — *Staff Consultant*

APR 2014 - JUL 2016 | New York, NY

Assisted Fortune 500 companies in assessing, designing, or implementing their Citrix VM environments.

- Led presentations to clients detailing the scope of work
- Taught and mentored prospective consultants
- Documented technical deliverables for customers
- Developed internal tools to assist the sales team

PROJECTS

Path of Good Intent — *Board Game Designer*

MAY 2018 - PRESENT | New York, NY

A board game about being the first to be promoted in a corporation.

- Design all gameplay, graphics, branding, packaging, etc.
- Oversee marketing and maintain the development blog
